

Auto Gold Card is proud to present you with your Roadside Assistance Program. We sincerely hope all your excursions are worry free. However, should you need help, Auto Gold Card has insured that:

You Won't Be Left Stranded!

TOWING SERVICE

When your vehicle cannot be started or driven, or if it is in an accident, you are covered up to \$100 (One-Hundred Dollars).

EMERGENCY TIRE SERVICE

Whenever you have a flat or damaged tire, you are covered up to a maximum of \$100 (One-Hundred Dollars) per occurrence for the service provider to change that inflated spare from mount to wheel. This service may not be available in all areas, in which case, towing service may be provided up to your benefit level.

LOCKOUT SERVICE

Misplaced, broke, or accidentally locked your keys in the vehicle? Dispatch will provide locksmith or emergency vehicle service to assist you. Independent Service Providers' vehicles are equipped to provide locksmith service. This service is limited to \$100 (One-Hundred Dollars) per occurrence.

BATTERY SERVICE

In the event the battery in your vehicle fails, battery services will be provided to a maximum of \$100 (One-Hundred Dollars) per occurrence. Providers' vehicles are ALL equipped to boost batteries as well as to perform minor adjustments to batteries, starters, and alternator. This service may not be available in all areas, in which case, towing service may be provided up to your benefit level.

FUEL DELIVERY SERVICE

Auto Gold Card will deliver oil, fuel, or water to the site of the member. The member is responsible for the cost of the fuel. In the event that local state regulations prohibit the delivery of flammable materials (i.e. gas), Auto Gold Card will tow your vehicle to the nearest gas station within the limits of your tow coverage. These delivery services are limited to a \$100 (One-Hundred Dollars) per occurrence.

Service is limited to five claims per year not to exceed \$100 (One-Hundred Dollars) per occurrence. This service extends to one additional household vehicle.

What is Auto Repair Sentry?

AUTO REPAIR SENTRY is a service in where Auto Gold Card Adjusters negotiate reduced auto repair costs for Auto Gold Card consumers who typically pay what their repair shops charge. The service is provided by a Denver-based third party administrator. Our adjusters become a partner with you, the customer, in negotiating the cost of your auto repairs.

This revolutionary new service came about as a result of the adjusters consistently negotiating lower prices on a daily basis. Auto Gold Card Adjusters are typically able to obtain lower prices than the price a consumer might normally be charged. You can use any repair shop you wish. The Auto Gold Card adjusters negotiate the price of your repair with the repair shop, and then you pay that price.

The experienced management team at Auto Gold Card realized this is a service never before offered and that it would be in high demand. This was an opportunity to offer not only **GREAT SAVINGS** to all consumers, but also peace of mind to many people who often wonder if they are getting the best deal when it comes to their vehicle repair.

*** Now, you can have an experienced professional on your side to guarantee you get the best deal on all future vehicle repairs!
